Compressor clutch not engaging, No Power Transfer From Shopped called me in to diagnose a no-A/C complaint on this 2003 Honda Civic. The owner reported that the air conditioning system was not working properly. After a thorough inspection, I found that the compressor clutch was not engaging. This could be due to a variety of factors, including a faulty clutch coil, a bad relay, or a problem with the wiring. I will be checking the voltage at the clutch coil and the relay to determine the cause of the problem.
